Dear Applicant:

You may be able to get financial help from _____ and possibly other NH Health Access Network providers.

The NH Health Access Network is a group of hospitals, doctors and other health care providers in New Hampshire that work together to help children and adults when they can't afford the health care they need.

To get financial help through the NH Health Access Network, you must have tried to get, and been refused, all other sources of payment including insurance, public assistance, or a lawsuit.

To find out if you or your household qualifies, you must give us proof of your income. Please fill out the attached application and sign it. Then, please send us that application and a COPY of each of the following for your household:

1. Complete copy of your most recent Federal Income Tax Return and all schedules.
2. Last year's W-2 forms
3. Copies of the three (3) most recent, consecutive paycheck stubs or a statement from the employer

6. Copies of pension benefits stubs
7. Copies of social security income (yearly benefits statements, copy of check or direct deposit)
8. Copy of Food Stamp allocation
9. Copies of government assistance notices (including Department of Health & Human Services)

Please use this checklist to be sure we have all the information we need to quickly and correctly process your application. We may ask you for additional information about your credit evaluation and income tax return. The information you provide is confidential.

You will continue to be financially responsible for any services you receive until we have learned whether you qualify for help.

If you have not heard from us in 30 days after returning your application, or you need help in understanding it, please call _____ at _____

Sincerely,

**Return the application and requested documents
