

New Hampshire Medication Bridge

Funds to produce this brochure were contributed by AstraZeneca Pharmaceutical Company. To find out more about New Hampshire Medication Bridge, visit www.healthyNH.com or call 603-225-0900.

The N.H. Medication Bridge Program is a private-public partnership of many organizations under the leadership of the Foundation for Healthy Communities. The Foundation for Healthy Communities is a non-profit organization that exists to improve health and health care. The goal of the program is to help eligible uninsured and underinsured patients of all ages to receive needed prescription medications.

New Hampshire Medication Bridge

Do you need help in paying for your prescription medications?

WE CAN HELP

Medication Bridge

www.healthyNH.com

Pharmaceutical companies provide brand name, long-term medications at little or no cost to the patient.

Many companies also help individuals with Medicare Part D who are in the “donut hole.”

Medication Bridge sites also can direct you to many resources for low-cost generic medications.

Contact a Medication Bridge program site to see if you may be eligible for assistance.
