

Foundation *for* Healthy Communities

Advance Care Planning Facilitator Training

Certification Workshop

April 18, 2018 8:30 – 4:30pm

Foundation for Healthy Communities

125 Airport Road, Conference Room 1, Concord, NH

Registration Deadline: April 11, 2018

The Foundation for Healthy Communities is offering a day-long training workshop for professionals in health care settings whose work includes facilitating discussions with patients which lead to completion of Advance Directives. The workshop is appropriate for physicians, Nurse Practitioners, Physicians Assistants, Social Workers, Chaplains, and other professionals. It will include a review of the statutory requirements for Advance Directives, technical and practical components, and opportunities to practice dialogues with others.

REGISTRATION INFORMATION

Applicants must preregister and will be expected to complete several hours of preparation for the course, details provided at registration. A certificate of Completion will be provided at the end of the workshop.

Key Dates

Registration Deadline April 11, 2018

Register Online: <https://advancedirtrngapr2018.eventbrite.com>

A \$45 registration fee covers the administrative costs and training session printed materials.

Questions?
